

Tyrannosaurus rex

TIE-RAN-uh-SORE-us-REX (say it out loud!)

Some of its teeth were as long as a banana!

long, heavy tail to balance

big teeth, some as long as a banana

two big legs

tiny arms, two fingers on each hand

HEAD

A deep, heavy head. Its mouth is closed here, but the teeth are big.

TINY ARMS

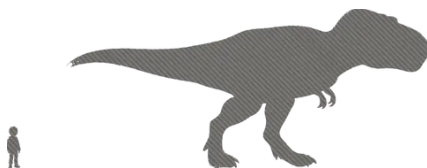

Tiny arms for such a big body, with two fingers on each hand.

FEET

It walked on two big legs, with a long heavy tail to balance.

HOW BIG?

Kip

Tyrannosaurus rex

About 12 meters long. That is about as long as a bus.

Kip's note:

Its arms are so tiny! I tried drawing with my elbows tucked in like a T. rex. Not easy!
